***PROVIDER UPDATE***

***July 10, 2019***  
***#2019-17***

To: IMCare Customized Living and Foster Care Providers  
From: Sarah Duell, IMCare Director  
Date: July 10, 2019  
RE: Contracting and Rate reduction update

---

IMCare has received contracts from all Customized Living and Foster Care providers currently providing services to IMCare enrollees. Thank you! We are working to get these board-approved and counter-signed and plan to have complete contracts in place by July 31, 2019. You will receive a copy of the fully executed signature page of your contract when counter signatures are obtained.

As indicated in previous updates, IMCare postponed the original June 1, 2019 implementation date to allow for contracting. The new implementation date is August 1, 2019.

Due to the change in implementation date, the *Waiver Services Provider Declaration Page – Appendix to the Provider Participation Agreement* has been updated to reflect the August 1, 2019 date. A copy is attached for your records.

IMCare appreciates your willingness to partner with us for these valuable services.

If you have questions, please contact Laura Grover at [laura.grover@co.itasca.mn.us](mailto:laura.grover@co.itasca.mn.us).

Thank you.
