Bill for vaccines according to the following:

- Enter the appropriate vaccine code with the SL modifier and a \$0 charge.
- Enter the appropriate vaccine administration code on the same claim.
- Enter the administration charge for administering the vaccine.

Pharmacy Claims:

Pharmacy claims are currently not adjudicating at the point of sale due to a delay in configuration. Until available, please follow the billing instructions for medical claims. When IMCare is able to accept pharmacy point of sale claims, a provider update will be issued.

Members with primary Medicare - payment for COVID vaccinations administered during calendar years 2020 and 2021 to MA beneficiaries will be made through the Medicare FFS program, do not bill IMCare.

Information is changing rapidly, please continue to monitor provider updates and our website for the most accurate, up to date information.
