Placement of Structure from: _____ to: _____		

**Permit Requirements:**

1. Permit must be issued or renewed each year before structure is placed in or on the water.
2. Structure must be placed between the permit holder's property lines as they extend into the lake.
3. Structure must display proper reflective material as described in MN State Rule 6110.1800:  
**6110.1800 PLACEMENT OF TEMPORARY STRUCTURES AND BUOYS IN THE WATERS OF THE STATE.**  
**Subpart 1. In general.** No person shall leave any temporary structure not extending from shore, or any buoy or sign in the waters of this state between the hours of sunset and sunrise without first obtaining a permit in writing therefor from the sheriff of the county.  
**Subpart 2. Permit for temporary structure or buoy.** The sheriff of any county may issue a permit for the placement of any such structure or buoy whenever, in the sheriff's opinion, the structure or buoy will not constitute an undue hazard to or illegal obstruction of navigation. Each structure or navigational buoy placed pursuant to such permit shall have the permit number painted on it and shall have attached either a light visible in all directions, or sufficient reflectorized material so as to reflect light from all directions, which material shall retain 80 percent of its dry weather reflective signal strength when submerged in water.
4. Permit number must be displayed on the structure using numbers that are at least 2 inches high and a contrasting color to that area where they are affixed.

I agree to observe all laws and regulations relating to the use of water and watercraft. I understand that this permit does not relieve me in any way from any responsibility or liability I may incur in connection with any activities undertaken pursuant to this permit.
