

A MESSAGE TO OUR RETURNING NEIGHBORS

To those returning to our area from anywhere outside of Itasca County, welcome back! While we are happy to have you back, here are some things for you to remember:

We ask that you PLEASE quarantine for 14 days upon your return and maintain social distancing.

THIS MEANS:

Make arrangements with a neighbor, friend or outside family member to get your groceries, essential items and mail. Please DO NOT go into local grocery stores, the post office, gas stations or any other public place until your 14-day quarantine has expired.

We have done our part to protect our community while you were gone and need your help in the fight against coronavirus (COVID-19).

If, during your time in quarantine, you start developing COVID-19 symptoms: FEVER, COUGH, OR SHORTNESS OF BREATH

Please contact your primary care provider.

ANY FURTHER QUESTIONS?

Call Itasca County Public Health Information Line at (218) 327-6784 or
MN Department of Health (MDH) at (800) 657-3903
