RE: COVID-19 Dental clinic grants available – Deadline 8/21/20

Dental clinics may be eligible for COVID-19 Health Care Response Grant funding approved by the Minnesota Legislature to help with the costs of adapting to new practice standards.

Dental clinics wanting COVID-19 Health Care Response Grant funding are encouraged to visit the Minnesota Department of Health's [COVID-19 Health Care Response Grant](#) webpage to review the Request for Proposal (RFP) and submit an application. Applications will be considered until all funds are spent. We encourage dental clinics to submit your applications by Aug. 21, 2020.

You do not need to reapply if you have already submitted an application for your dental clinic. Your application is being reviewed for eligible expenses.

Email the Minnesota Department of Health (MDH) at COVIDgrantapplication.MDH@state.mn.us if you have questions about the application process.

Information is changing rapidly, please continue to monitor provider updates and our website for the most accurate, up to date information.
